## TEACHER ASSISTANCE

### Description:

The schools are located in different locations around Costa Rica.

The public schools that the Socio Camps program works with are located in several middle and low-middle class areas of Costa Rica. The children's ages vary from 5 to 13 years, which go from kindergarten, preschool and the first six grades of elementary school.

The schools' curriculum and activities usually includes all the basic subjects (Spanish, Science, Social

Studies and Mathematics). Additionally, most schools offer English as a foreign language, Music, Arts, Physical Education, Civics and (Roman Catholic) Religion classes.

English classes are one of the areas where the support given by volunteers is most valued (even if they are not native speakers as these classes would be at a basic level) as well as physical education. Sometimes, if a volunteer has some special knowledge or skills – for example in music, arts or sports – and if the school agrees, he/she can organize additional activities independently.

### Possible tasks for the volunteer:

- To assist the teachers in the classroom
- To help create didactic material
- To support in the special activities of the school

- To assist at the school's library or with other administrative tasks
- To organize additional activities with the approval of those in charge of the kids
- To help children with their homework

#### Required skills and interests of the volunteer:

- To enjoy working with children
- To be patient and tolerant
- To be sociable
- To have a lot of initiative
- To be respectful towards the rules of the institution
- To have an intermediate to advance Spanish level (WE RECOMMEND AT LEAST TWO WEEKS OF SPANISH CLASSES)

#### Schedule for the volunteer:

Monday to Friday from 7:00 am to 1:00-2:00pm

#### Things you need to Bring to the Schools:

- Mosquito repellent
- Sun block
- Rain coat
- Umbrella
- Closed shoes
- Extra shoes (tennis shoes, flip flops)
- Work clothes (that you don't mind getting dirty)
- Backpack or suitcase

#### 3 Schools to Choice:

- **Escuela Jose Joaquín Salas, San Ramón de Alajuela.**
- **Escuela Morazán de Perez Zeledón**
- **Escuela San Francisco de Peñas Blancas**

#### Locations and Accommodation:

- San Ramón of Alajuela (urban place, accepted are two volunteers at a time. You will live in a host family close to the school.)
- Morazán / Quebradas de Perez Zeledón (rural area, up to two volunteers at a time. You will live in a host family in Quebradas)
- San Francisco de Peñas Blancas (near La Fortuna, extremely rural, up to two volunteers at a time. You will live in a host family close to the project.)

#### Further information:

- Depending on the time of the year, other schools might be available and suggested.
- Schools are in vacation normally from December-February and in the time of Easter.
- If you want to work in a school and in an ecological project, it's easy to combine "Escuela Morazán" and "Fudebiol" without changing the host family.

#### Arrival to the Schools:

Please arrive to Costa Rica 3 days before you start the project. The third day you will travel to the Project. The Schools receive volunteers all week.
